The screenshot displays a news website layout. At the top, a dark blue banner for a weather app is visible, featuring the text "SPRAWDŹ POGODĘ" and a search input field with the placeholder "wpisz swoją miejscowość". Below the banner, the main content area shows a large article with a photo of a dam. The article title is "Anglia: Po ulewach może pęknąć zapora wodna. Przed rzeczonym tsunami uciekło tysiące osób". To the right of the main article, there is a sidebar with a "PROGNOZA POLSAT NEWS" section showing a map of Poland with weather icons, and a "POPULARNE WIADOMOŚCI" section with a small thumbnail and text.
